DECEMBER 2018

From Just *Southwest* of Tulsa

Chief Eaton, President

It's hard to believe that we are already in December. We have a busy month lined up with Parades, our Christmas Party and our General Meeting on the 22nd.

I would like to thank our members who agreed to run for the Board of Directors. Our three newly elected Board Members are Gary Arnett, Donovan Smith, and Stu Youngquist. Your 2019 Board of Directors are President Chief Eaton, Vice President Bob Boren, Treasurer Janet Spaulding, Secretary Donovan Smith and Parliamentarian Gary Arnett.

John and Sally Neas hosted a great Tire Kicking for us in November. Not only were there beautiful race cars to see but John related the history of each car. Also in attendance were some of the people who were involved with these cars "back in the day". Thank you John and Sally!

Looking forward to seeing everyone at our Annual Christmas Party on Sunday, December 16. We will have great food and entertainment.

Until next year...

Merry Christmas and Happy New Year!

--Chief

November Tire Kicking

--Jim McCartney, Tire Kicking Committee Chairman

Our November Tire Kicking at the John and Sally Neas Family Car Collection was so different. It consisted of beautiful Dragsters that raced all over the United States, high performance factory-built Corvettes, a special '63 2-door 409 Chevrolet and a 1932 Highboy Ford Roadster. The building is beautiful with pictures of these cars. John showed and told us about each picture and what it represented. He told us about each of the cars and their history.

They have a son, Matt Neas, who works there with his dad. He was keeper of the front door that morning so we could get in or out. A very smart, neat young man!!! There were about ten other people who were friends of John that were builders, drivers or whatever that had to do with these cars in their time. I have their names but I can't read good or spell the names.

We had coffee, donuts and some fruit. It was cold outside but we were warm inside. Those of us driving V8 cars were Wayne and Marilyn Blackmon-'50 Ford, Gary and Charlene Arnett-'45 Ford Police Car, plus Mike and Joan Denney-'83 Mark VI. We had 42 members driving late models.

We want to thank John, Sally and Matt Neas for having us to their place. It was something we won't forget. **Thank you again!**

We will not be having a Tire Kicking in December, but do not forget the Christmas Parade and Christmas Party. Big Fun!!!

---Jim

Merry Christmas & Happy New Year!

Tulsa Christmas Parade -- December 8

Tulsa Early Ford V-8 Club Participation

Once again this year we will sponsor The Little Light House in the Tulsa Christmas Parade. Little Light House encourages families to attend and ride in your car. We never know how many families will be able to be there as so much depends on how the kids are doing that day.

Here are other details: The parade rolls out Saturday, **December 8th** at 1 pm from 7th Street and Boston Avenue, goes north to 3rd Street, West to Boulder and South on Boulder back to 7th Street. Plan to arrive at about 12th and Boston between 10 and 11 am for lineup. The approximate finish time should be about 2:15 pm.

All club members are urged to participate... decorate your car and wear your Santa hats or elf costumes! (But no Santa or Mrs. Clause outfits please.) Also no throwing candy. **Let Marilyn 918-521-6923 or Wayne 918-521-6900 know, if you plan to come.**

Dear Little Light House Friends,

On behalf of all those involved in The Little Light House, I would like to express our heartfelt thanks to you for your recent donation. It is because of people like you that children with special needs in the greater metropolitan area are able to receive state of the art special education services on a **tuition-free** basis.

These services are delivered through licensed therapists, certified special education teachers and other highly trained individuals who are committed to combining professional expertise with the healing power of prayer and as a result children with physical and mental challenges are reaching unimaginable milestones every day. All this is possible because of giving spirits such as yours. It is said, it takes a village to raise a child. We want to thank you for being a part of our village! For your willingness to be a part of this, we are extremely grateful.

We pray you will be abundantly blessed for the way you have blessed the children of The Little Light House.

With Gratitude,
